

St. Patrick's Cathedral.
Toowoomba.

Queensland.

Heard nothing from Annida, the climate
is similar and the prospects are very good.

Of course I would like the whole
thing to have your approval & I think it
would be very well if you saw the place
before purchasing it.

Let me know by return what
you think as we have the option of purchase
for a week only.

Hope you are very well & also all
my friends in the Convent. The morning
picture of us all in Annida is perfect.
Some day you will see it.

With best wishes

Yours very sincerely

Annida
