My Dearest Mother,

I was very pleased to get
your letter this morning.

Well, we have cleared the property
I spoke about & you may not worry over
the payment until the Community is
in a position to pay.

Regarding interference with
other Sisters - no - plenty room for
all.

For the present I would like you
to concentrate on a boarding school
& later on we can see the prospects for
a day school also.

Of course we shall like you.
Otherwise we would not ask you.
