**1986**

The 1986 school year has seen many successes in the academic, sporting, debating and drama areas- and much experience gained, hopefully, in being gracious losers (and thus winners) in any sphere in which we competed as a College. Our Year 10 leaders and co-ordinators are to be congratulated on the energy expended and leadership shown in their various areas of activity and the student body as a whole has worked to make St Ursula's College a 'good place' to be.

As this is my last year at St Ursula's I would like to thank you all, staff, parents and students for the support you have given me during these two interim years and above all do I thank the Committee members of the P & F under the leadership of the President, Mr Tim Sullivan, for all they have done for students and staff of our College. In the words of the Psalmist —

O God be gracious and bless us  
and let your face shed its light upon us  
So will your ways be known upon earth (Ps 66)

*M A Mackintosh*

Sr M A Mackintosh OSU BA, M Ed, Dip Ed Admin, Dip App Theol. Principal.

The conclusion of another year looms, and with it, people leaving us, new people arriving - all having contributed or being about to contribute to our community.

Sr Mackintosh is moving from Toowoomba after two years as Principal of our College. "Enjoy your well earned holiday Sr Mac. and do come to see how we are faring when you have time." I'd like to wish Sr Mac the best of everything for the future and to thank her for being our Principal. Our school has certainly grown in these years; our girls have made us proud to have them as students; and our accommodation has improved. All will reap great benefit from our new multi-purpose court and we certainly enjoy our staff room and our staff 'get togethers'.

Year 10's are also 'moving on'. This is always a sad time and I've been so proud of our Year 10's. They have shown fine leadership and have been their 'best selves'. The student-run assemblies will become part of our 'ethos'. Thanks girls! Do continue your good work at your next school, or at work, or wherever you will be next year. Give of your best and you will reap the rewards.

To all our students and parents, I wish a happy, restful holiday, and hope you will all find 1987 a year to look forward to.

## LEADER'S REPORT

It was the 15th of November, 1985 at Camp Cal in Caloundra when almost 160 Year Nine girls from St Ursula's College came together to decide upon student involvement in the college for 1986. Uniting ideas, the group came up with a great theme for 1986 - "Rise 'n' Shine - let us all combine". A new form of student body was also introduced with individual representatives from each class and grade co-ordinators.

Now, twelve months later, we are able to look back at the many goals we set all that time ago, and realize what a success 1986 has been. Throughout the year, we have seen all students co-operate and support each other in the various aspects of school life. The class presentations of themes such as love and peace, were one fine example of participation, despite the many headaches involved; thus combining to fulfil our school motto for the year. As the year proceeded we also saw some very meaningful and well-projected assemblies displayed by Years 8, 9 and 10, and setting a high standard of liturgical drama.

Throughout 1986, the student council came together to discuss various requests on behalf of the student body and carried out additions and changes in the hope of improving college life. We felt the student council has been a quite

successful venture although lack of valuable time did not permit as much action as I would have liked.

I'd like to thank both students and staff for their support over the last year and their help in making St Ursula's 1986 a place of Rising and Shining, with everyone combining.

## PREFECTS' REPORT

This year we, as prefects of Years 8, 9 and 10, have strived to give each individual the opportunity to express her views on how the school should be run. In order to achieve this, we have held consecutive meetings in which representatives from each class have submitted their ideas and opinions to their grade prefect. These suggestions were then carried to the Student Council Meeting after which they were put into effect.

As the prefects of 1986, we were very impressed with the way that the members of all classes enthusiastically contributed to making St. Ursula's a happy and unified community. We have also tried to make ourselves as approach-

able as we possibly could and to make ourselves available to any students experiencing difficulties.

We hope we have been successful in conveying our school's motto 'Rise and Shine' to the enthusiastic and exciting Grade Eighters, the fantastically fun Grade Niners and the overwhelmingly wonderful Grade Tanners.

We hope that we have led and served in the true spirit of Serviam!

Everyone in the St Ursula's community knows the happy smile of Mrs Kath Rose. She is always ready with a kind word and takes the time to listen to people. After spending many years living on sheep properties in South Western Queensland, Kath has been at Our Lady of Lourdes and St Ursula's since 1971.

Her latest achievement was to graduate with an Associate Diploma of Asian Studies from the DDIAE this year. The rigour of tertiary study demands an alert mind and dedication. Kath, now 80, completed the four year external study program while working as a part time teacher and student counsellor. A deep love of languages and history gave her incentive to take on the Institute's Asian Studies program.

We hope to benefit from Kath's talent and years of experience in teaching for many years to come at St Ursula's.

## PARENTS AND FRIENDS NEWS

The St Ursula's Parents and Friends have had a very busy but successful year. As you are all aware, our project for this year has been to meet the cost of the Multi Purpose Court. After a very successful fete on 19th October, we are delighted to announce that we have reached our target of \$14,000.

Our fund raising functions for the year have included the Easter Hamper, with a profit of \$1,167.76, the refreshments at the College Musical \$125.23, a very successful Winter Luncheon and Fashion Parade realising \$1,570.95, the Supper Dance brought in \$403.45. Our annual Art Union produced a profit of \$3,000 while our major activity, our Fete netted approximately \$9,000.

Non profit activities were; catering for the welcome and information evening for the parents of year 8 students, the morning tea for all parents with students new to the College, organised by our Ladies Committee, and we also manned the B.B.Q. on year 8 Parent Daughter Day.

The Committee would like to thank Sister Mary Mack, Staff members and all parents for their friendship, assistance and support during 1986.

## SCIENCE COMPETITION

In July, eighty-five girls from years 8, 9 and 10 took part in the Australian Schools Science Competition conducted by the University of New South Wales. The winners in each year were: Samantha Dwyer - Yr 10; Anna Turnbull - Yr 9; Justine Keir - Yr 8.

Congratulations to these girls and also to the following award winners: Lauren Battle, Jodie Erbacher, Andrea Stein, Joanne Welsh, Anna Turnbull, Donna Young, Samantha Dwyer, Eve Postle, Jane Lyons.

They were all awarded distinctions.

"To bring peace to the world through service during 1986, the International Year of Peace".

This was the message delivered by the Ursuline Nun world leader, Mother Bernadette Josephe Berquer of Rome, on her visit to St Ursula's College in March this year.

The Year 10 French Class greeted Mother Bernadette in her native language of French on behalf of the school at a special assembly held in her honour. Mother Bernadette accepted a gift of Australian made articles to mark her first visit to Australia.

Mother Bernadette is certainly familiar with schools like St Ursula's. She was a principal of a large boarding and day school in the north of France before her election as leader of the Ursuline Order, three years ago. Much of her Australian visit was spent looking at Ursuline education throughout the country and promoting it, for its high quality.

During her visit, Mother Bernadette reinforced the Ursuline school motto, "I will serve", which she feels, if adopted by individuals would assist in the cause of world peace.

A successful entrant in the Book Week Competition is Megan Ahern of year 10 with her prize winning children's book "Anna's Day at the Zoo". Megan won first prize in the Toowoomba competition for years 8, 9 and 10 and was awarded a book for her tremendous effort.

## ASSEMBLIES

This year's Assemblies at St Ursula's have certainly been a great success. During each assembly, girls from different groups delivered their own special thought provoking message, revealing some hidden talent.

Some of the more memorable ones were; the Year 10 French Class assembly to welcome the Mother General of the Ursuline Order from France, the Year 9 Multicultural class with their sign language assembly, the St Vincent de Paul blanket appeal, St Valentine's Day, Father's Day and of course, who could forget the famous Janet/Majella scenarios? Miss Langton's Religion class presented an outstanding assembly for Easter.

The assemblies this year have certainly been lively and entertaining and we would like to congratulate all the girls concerned.

## ENVIRONMENT

The Environment Committee has enjoyed a successful year. We started off with a Bright and Beautiful Classroom competition. This was won by 9G with Mrs McConachy and Mrs Klease. This was followed with a coloured clothes day to raise money to buy some white chain for the main path. The Focal Week Committee then

combined with us to set up a graffiti board.

Overall we worked hard to improve the environment and atmosphere of the school. Thanks to all the girls who helped throughout the year.

## PARENT DAUGHTER DAY

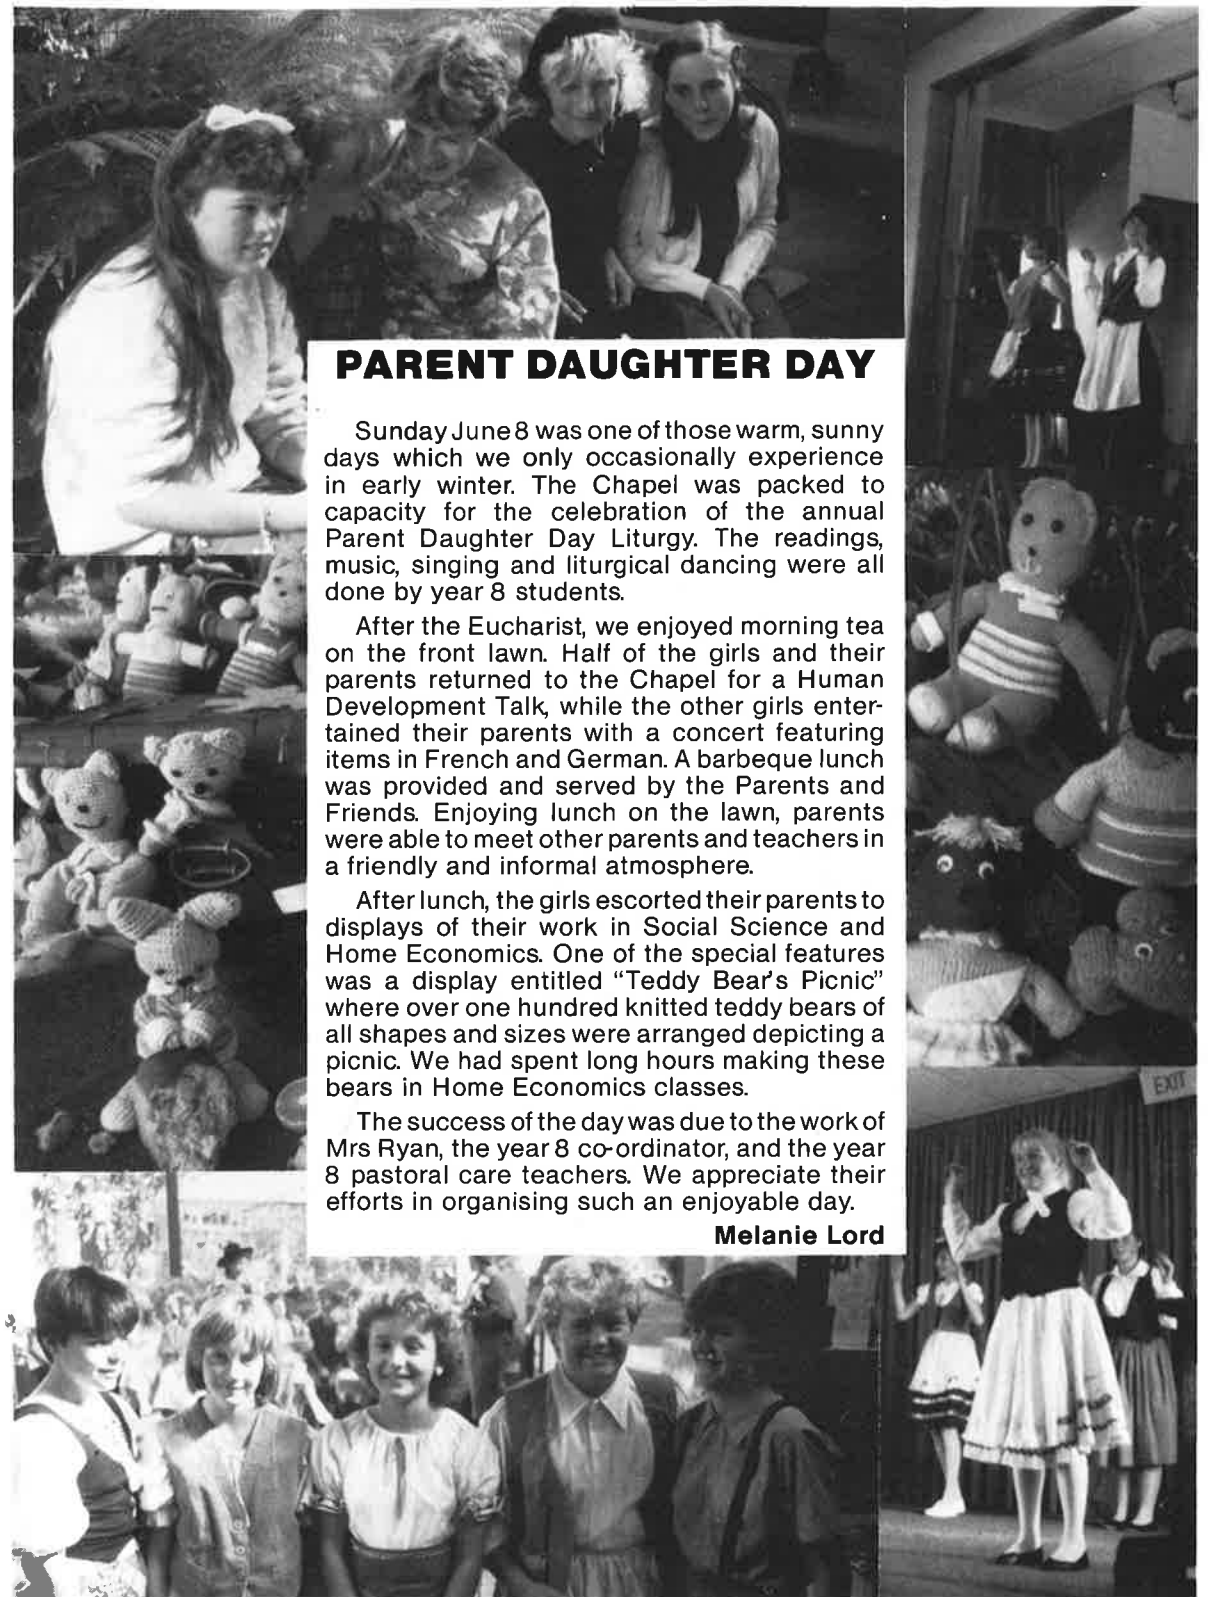

Sunday June 8 was one of those warm, sunny days which we only occasionally experience in early winter. The Chapel was packed to capacity for the celebration of the annual Parent Daughter Day Liturgy. The readings, music, singing and liturgical dancing were all done by year 8 students.

After the Eucharist, we enjoyed morning tea on the front lawn. Half of the girls and their parents returned to the Chapel for a Human Development Talk, while the other girls entertained their parents with a concert featuring items in French and German. A barbeque lunch was provided and served by the Parents and Friends. Enjoying lunch on the lawn, parents were able to meet other parents and teachers in a friendly and informal atmosphere.

After lunch, the girls escorted their parents to displays of their work in Social Science and Home Economics. One of the special features was a display entitled "Teddy Bear's Picnic" where over one hundred knitted teddy bears of all shapes and sizes were arranged depicting a picnic. We had spent long hours making these bears in Home Economics classes.

The success of the day was due to the work of Mrs Ryan, the year 8 co-ordinator, and the year 8 pastoral care teachers. We appreciate their efforts in organising such an enjoyable day.

## SERVICE

This year the Service Committee lead by Catherine Richardson worked very hard to raise money for worthy causes.

In first term the committee asked for donations of coloured pencils, and other articles suitable for children in Papua New Guinea. The boys and girls were children of inpatients of a hospital who needed something to amuse them. In return for our donations, the school was sent pictures and photos of the children in New Guinea.

Second and third term was a busy one for the committee. A coin drive and blanket appeal for the St Vincent de Paul Society was one of the main interests of the committee.

The coin drive was successful, spelling out the letters SERVICE on the front driveway. Thirty blankets were bought for the cold and homeless of Toowoomba from the money raised by Years 8, 9 and 10 in the blanket appeal.

1986 was a very successful and enjoyable year for those involved in the Service Committee.

Presenting blankets to Mr Bill Cronin of the St Vincent de Paul Society are Rachel Cleary (left) and Catherine Richardson (Service Co-ordinator). \$191.56 were raised in the appeal to buy blankets for the homeless of Toowoomba.

## CHRISTIAN LIVING DAYS

Our Christian Living Days this year provided us with the opportunity "to enrich ourselves spiritually and emotionally".

Year 8's first Christian Living Day was planned as a chance for people to have fun and get to know each other. Although rain spoiled the day, the parachute and giant ball provided plenty of fun and chances to see the need for cooperation. Since then, the Camp at Caloundra and days on Prayer and Personal Relationships have helped us to meet each other and get to know ourselves a little better.

The Year 9 girls began this year with a passover Feast where we dramatized the last week of Jesus' life, and gave our taste buds a sensation with the food we ate. Our second day centred on Peace and Reconciliation where we emphasised our need to forgive each other and thought about this International Year of Peace. Once again we exercised our dramatic talents on our day of "Parables and Storytelling" - we know only too well a parable is a story with a twist. We are looking forward to our camp at Caloundra at the end of the year.

Year 10 girls have had only one Christian Living Day to this date. The day helped us to reflect on our human dignity and sexuality. We appreciated the in-put from Dr. Mark O'Brien and the opportunity to ask questions. We are looking forward to our "combined" days with the Year 10 boys from Downlands later this year.

It was great to have the opportunity to "get away from it all" on these days and enjoy the bushland setting and celebrate our special themes in song, dance, drama and art. We are grateful to our teachers who make these days possible, they are really appreciated.

### YEAR 8 CAMP

On 22nd April the year 8 girls set off for the annual camp to Camp Cal at Caloundra. It was a long journey starting at 7 am with stops for morning tea, lunch, sick girls and a visit to the Big Pineapple. We arrived at Caloundra with just enough time for a quick swim.

Next day, after a delicious breakfast, we had some activities then went to the beach for our beach carnival. This was a lot of fun.

All too soon, the next day, it was time to go home. We visited the Chapel, had our last swim, and after a barbeque lunch, departed for Toowoomba. The camp this year was a great success and a lot of fun. I'm sure that every year 8 girl had the time of her life.

### PANCAKE TUESDAY

On Tuesday, 11 February, the ancient custom of eating pancakes was followed. This was not just for fun but was organised because it was "Shrove Tuesday" or "Pancake Tuesday".

Approximately two hundred pancakes were cooked by ten Year 10 students who commanded the stoves for use in the middle of a Year 8 sewing class. Five buckets of flour and six dozen eggs were used! These pancakes were then sold to our students.

Some pancakes, however, were kept for use in the pancake races. Each person was given a pancake and had to flip it in a pan while running a marked course. There were races for each Year and for the teachers. "Pancake Tuesday" was heaps of fun and everyone agreed that this old custom is a very good idea.

## CULTURAL EXCURSION

After a long night staying up to finish all uncompleted assignments that Mrs. Ford said were to be our "passports" for the trip, three bus loads of sleepy year 10s set off for an excursion to Brisbane.

On our arrival, we were taken on a guided tour of the Performing Arts Complex of the Cultural Centre before visiting the Art Gallery to see the magnificent Twentieth Century Masters Exhibition. After this, we made the most of our two hours free time in the mall.

In the afternoon the three buses set off in different directions. One went to the SGIO theatre workshop, one to Parliament House, and one to the Seven Hills Art College.

We would like to thank the teachers who organised this educational and enjoyable day.

## GAMELAN ORCHESTRA

This year eight students and Sarah Foley joined with Harristown High students in forming the Darling Downs Youth Gamelan.

A Gamelan is an Indonesian Orchestra which consists of various metallaphones of different pitch, drums, gongs, and reong (tuned bronze kettles). The charm and initial difficulty is in the mastery of the interlocking rhythms of this percussion orchestra, a skill to which the students applied themselves under the direction of Wayan Gandra. Wayan is one of Bali's leading composers and musicians who lectures at the Denpasar Conservatorium and leads the Peliatan Gong. His visit to Australia was funded by the Australian Music Board through a submission prepared by the Darling Downs Balinese Gamelan.

The students attended rehearsals once a week at Harristown High School and developed greatly in the seven weeks. The Youth Orchestra performed at the Toowoomba Carnival of Flowers, a fund raising Garden party and in the Fiesta Concert.

This opportunity was enjoyed by the girls both as a musical extension and an insight into Balinese culture.

**Fifth Row:** N. Harris, D. Young, A. Bell, L. Sullivan, J. Reid, R. Cowley.

This year two of our debating teams have reached the State finals and all other teams have been successful in their competition.

The team consisting of Susan Stein, Fiona Franzmann and Susannah McAuliffe, with Robyn Cowley as reserve went to Brisbane to debate in the Knockout State Finals of the Apex Debating Competition. They were beaten in the grand final.

In the Q.D.U. competition, a year eight team consisting of Andrea Stein, Loretta Bayliss, Natalie Harris, Joanne Robertson and Joanne Welsh reached the second round of the State finals.

All other teams should be congratulated for their effort through the year. This effort, together with the hard work of those teachers involved, has ensured the continued high standard of debating at St Ursula's.

# SCHOOL MUSICAL

"Oh, I'm so nervous! Where are the Vitamin C? Quick, give me four!" This sounds something like backstage at the City Hall on the opening night of this year's musical.

Despite last minute disasters and many cases of extreme nerves, "The Boyfriend" played to full houses on March 20th and 21st, and was a roaring success. The story is set in the roaring 20s in the south of France at a girls' finishing school. There was, in the style of 1950's musicals, a predictable storyline but this served only to tie together the many marvellous song and dance acts.

Julie Wilde, Melissa Lipp, Helen Hilder, Majella O'Shea and Elizabeth O'Brien made very 'bubbly' school girls. They were perfectly matched by their 'boyfriends' Debra Noonan, Jacquie McCaul, Georgie McMahon, Vicki Stenner, and Michelle Klaassen. Samantha McNee made a marvellous school head mistress with Marnie O'Dwyer her 'old flame' and father of one of the school girls. Susannah McAuliffe provided comedy relief as the French maid.

These are but a few of the roles played; however without the full cast of seventy people, the show could not have gone on.

Thanks must also go to the many people who worked behind the scenes; Nicole Watts, Rachel Brady, Deanah Brown, Kate Reardon, Megan Coote, Ann-Patricia Lincoln and their many dedicated assistants. 'Front of house' was run very smoothly and thanks go to the usherettes and ticket sellers.

The wonderful music was hard to miss under the direction of Mr. Paul O'Brien with Mrs. Rita Miles, Mrs. Grace Murray, Sr. Peg Short, Peter Hohn, Sarah Doolan and Leigh Sullivan making up the orchestra.

Special thanks must also go to Mrs. Batzloff and Frances Barbe for the great dances they choreographed, and to Mr. Foley, Mr. Pyke and Mr. Sheedy for their work with props, scenery and lighting.

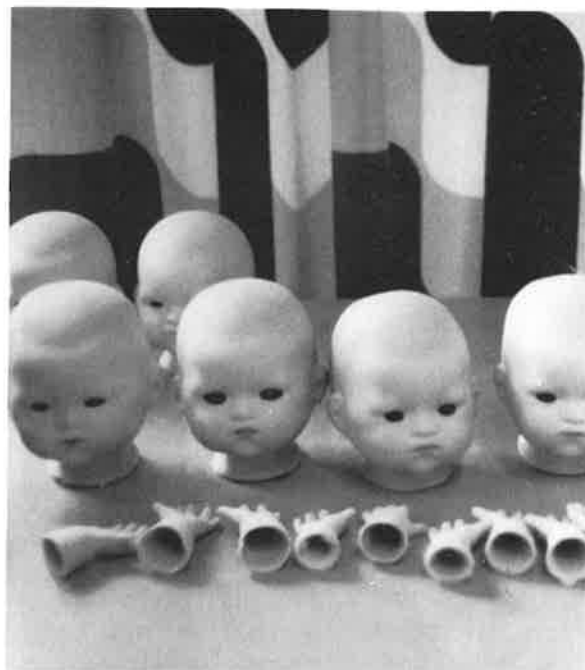

There is one person without whom we would have no musical, Mr. John Henry, our director. Although at times some of us were ready to scream when he said, "Ladies, I want better", we've now seen what marvellous directing can do. Congratulations go to all who made "The Boyfriend" a stage success.

## PORCELAIN DOLL MAKING

One of the major assignments completed by the year 10 Home Economics classes, was the making of a porcelain doll. The whole process took several weeks to complete.

There are various steps involved in making the dolls. First is the pouring of porcelain into the moulds to form the heads and hands which are then left until set. In the meantime students begin to make and stuff the body. Once the porcelain is set, the rough edges are smoothed, then tinting of the porcelain to skin tone and painting of life like features on the face and hands are completed. The most difficult and frustrating task is to place the brown or blue eyes securely in the head. When finished, the head and hands are attached to the body.

Even then, the doll is only half finished, for it has to be dressed in a beautiful lace trimmed christening robe. The making of this robe is extremely time consuming, for it is embroidered by hand. The dress is matched with knitted or crocheted booties and a bonnet.

As you can see, the making of porcelain dolls is not an easy task but a very worthwhile and rewarding experience.

## WORK EXPERIENCE

As most teachers, parents and employers know, the year 10 students had one week of work experience in August this year.

For some it was an enjoyable time, and others, well let's leave it up to their descriptions! We're sure all the girls agree that it was an experience that will never be forgotten.

Thanks to the generosity of all employers and the tremendous organisation of Mrs Pfeiffer, Mrs Tranter and Mr Pyke, our careers teachers, and Mrs McIntyre, a wide range of jobs were available, from Forest Rangers to Radio Announcers and Anthropologists to Veterinarians. We would also like to thank those teachers who visited us at our place of work.

It was a worthwhile experience and a great success. A quote from our Forest Ranger sums it up, "It was an utter, utter, utter experience!" (I wonder who that was?)

## SCHOOL TRIP

"Oh goodness, I've locked the key in my room again!" This seemed to be the theme of the school trip (and didn't the hotel staff know it!). This, however, was not all that happened on the school trip for a lot of fun was had by all. We arrived in Sydney on the morning of Saturday, September 20th, after a very "entertaining" bus trip.

We were not allowed a moment's respite in our hectic schedule and after devouring lunch at the hotel, we were bussed to the Rocks. The Rocks area was "interesting" and to add to it all, Sister Mary Driscoll promptly lost a group of girls. (Might we add, she had lived in Sydney for twelve years previously.)

This was only the beginning and that night, as we were pushed through the gates of Luna Park, with aching feet, everyone really began to wonder if they had caught the right bus. Many fun days (and nights) followed with a hotel full of boys and girls from Coff's Harbour and, to our delight, men from Nudgee College. Then we knew we had caught the right bus!

On Monday, feeling right at home, we went to the Zoo and then prepared to show the Sydney people just what Queenslanders are really like. Anyway...to cut a long story short, Wednesday we experienced true professionalism and fantasy in the most incredible, amazing musical performance ever staged, "Cats".

Finally, on Friday we said goodbye to the hotel staff (who now have psychological complexes about teenagers) and to King's Cross with which we had become familiar in the last week.

Travelling through Katoomba, we made our way home with malnourished bodies fed only by the free apples that were supplied by the school. As we stumbled out of the bus, we realised just how lucky we were to have gone on this year's school trip. Thanks to Miss Langton for organising another enjoyable trip and Sr Mary, Cathy and Sr Denise for supervising.

## PUBLIC SPEAKING COMPETITION

On Monday, October 13, the annual St Ursula's Public Speaking Competition was held. The standard of speakers was very high.

The year 8 winner was Natalie Harris, who spoke on "Procrastination". In year 9 the winner was Elise Sharpe who gave a very entertaining delivery on "My Pet Emu". Sandra Kettle took a unique look at fast food from the point of view of a Big mac and convinced us that "Fast Food Isn't Really Bad For You" to win second place. Jacki Yoxall was placed third with "Parents,

Very Special People". The year 10 section was won by Rachel Parker who thoroughly entertained the audience with her "Water Closet Units".

Many thanks go to all who participated, the audience, Mr Henry, who organised the competition, and especially to Ms Susan Kennedy who adjudicated and gave her valuable criticisms to the speakers.

## OKTOBERFEST

On Friday, 10th October, the year 10 German students travelled to Brisbane for Oktoberfest 1986, organised by the Queensland Modern Languages Teachers Association.

The evening proved both educational and most enjoyable with the various food and souvenir stalls, as well as hours of entertainment. The most popular items were definitely the "Alpen rosentanzgruppe's" lively dances, the songs played with cow bells and the men's choir.

Two of our students, Kate Reardon and Jane Ashney, won prizes for their authentic costumes. Though weary and penniless upon our return home, we all agreed that our evening was PRIMA!

## BALLROOM DANCING

"One, two, quick and quick. One, two, quick and quick." Does this sound familiar?

Well, it should, to all the girls who braved the ballroom dancing lessons this year with the boys from St Mary's.

Every Monday afternoon, from 3.30 to 4.30 (that's 60 minutes or 3600 seconds - yes, we were counting) the group comprising mostly year 10 students and a few courageous year nines were herded and encouraged to attend lessons at the St Mary's O'Brien Centre to be taught by Ron and Del Freeman.

Although the first few classes lacked real enthusiasm, with the usual routine of girls on one side of the hall and boys on the other side, not to mention the constant questioning "Is it time to go home yet?" from both sexes, by the

end of the ten weeks, it appeared that everybody was enjoying themselves.

Finally on the night of September 3rd, during the ballroom dancing social, our dancing and social skills were put to the test.

Popular tunes filtering through the night air, as the fair young maidens in their sweeping skirts glided across the ballroom floor, on the arms of their handsome beaux, were interspersed with those of yesteryear, as well as waltzing to Ghost Busters and the Nut Cracker Suite. And on that September night in 1986, one girl even received flowers.

And so, on this happy note, a term of ballroom dancing lessons was brought to a successful end. Good luck to all those who intend to participate next year.

## YEAR 10 ART WORK

## FETE

This year's school fete was a great success with the Parents and Friends making approximately \$9,000. This money will go towards the completion of the Multi Purpose Court, so that all students at St Ursula's will benefit from it.

The various fundraising activities of each class enabled all girls to be involved in helping to improve their school. I'm sure all who participated, enjoyed themselves. Thanks must go to the organisers of the P & F and the following form classes:

| 9G helium balloons, money tree & raffle | 8N bottle stall               |

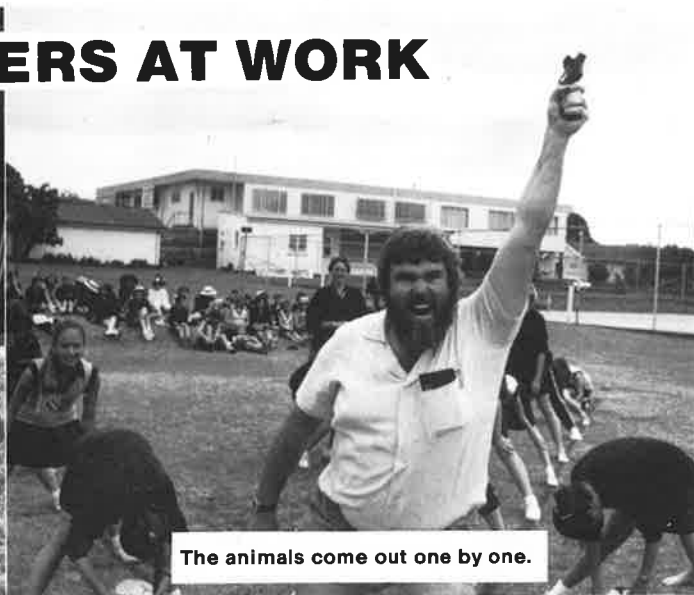

There were memories of last year's fete when the hail started to fall later in the afternoon. Even if we can't organise the fine weather, St Ursula's still had a really good fete.

## GARDA HOUSE

This year Garda took up the theme "Garda Good Year" in the hope of achieving a successful year of honesty and integrity.

We welcomed 14 new year 8 and three new year 9 girls at the beginning of the year. All have settled in well, thanks to the help of our two dormies Paula and Sr Mary, our seniors and all the other Gardarites.

Unfortunately health hasn't been at a peak this year with Chris Ferris going home with her second relapse of a virus and Jenny O'Donohue also spent a long time at home with a compound leg fracture. She has just returned to school, well plastered. Madeleine Welsh broke her knee on the water slide at Willow Springs.

Despite these mishaps, we have had a number of successes. Cathy Green and Madeleine Welsh had a very successful year with the Equestrian team. Many girls from Garda took part in the school musical. Linda Hall did very well in swimming and Bridget Murray had many successes in athletics.

Overall Garda has had a Good Year, although we have become accustomed to waving the other boarding houses off on their many outings. We hope to see all Gardarites next year, ready for an even better year.

## DEZO HOUSE

This year the juniors of Dezo have once again proved to be among the ranks of the elite, with such exquisitely tidy dormitories, angelic behaviour and perfect punctuality being shown at both breakfast and study. This year we cut it down to only twenty minutes late.

By far the highlight of the year was our exclusive and original trip to the Bunya Mountains. Here we had the opportunity to exhibit our orienteering and map-reading skills; we are experts at getting lost--ring a bell, Mickey and Louise.

The Inter-House Swimming Carnival, well what can we say? For as far as the swimming pool goes, we are the quiet achievers.

All in all, Dezo has had an eventful year, one filled with love and friendship. Throughout the year our patient dormies, Missy and Bron, have put up with our small idiosyncrasies, and for that we admire them.

## SALO HOUSE

For Salo Juniors, 1986 was a year of fun, love and laughter. For the year 8's, it was a year of settling in and getting to know new faces. The Gall family tradition was carried on with the arrival of Libby, who has sported her way through the year alongside Becky Gardiner who has spent most of her time on her head. Another true Carrigan arrived with her blonde hair and blue eyes. Portia, Heidi, Shelly and Lucinda hit it off well and found the corridor a great formula one freeway. Sally "Tennis" Redman our year 7 was a specialty for the year, as was our new platinum blonde, Julie O'Farrell, who arrived mid-semester one. A quiet contributor to our Salo community was our own Rachael Poplawski.

Old friendships were revived among Year 9 "Gundytes" when Michelle arrived to Join Sonya! Although Anita Stein has become a daygirl, she is still seen around Salo and will always remain a Saloite at heart. Yet another Redman, known as Katrina has hit the tennis scene, although this time with a balloon and Tricia Wells is often seen in her baggy shorts and large shirt. Sara Francis and Louise Fitzgerald have shown great potential in horsing around (in all aspects of the word).

The Year 10's were joined by a new member at the beginning of Term Four — Deanah Brown who has finally joined the ultimate — Salo. Megan has succeeded in becoming a King in her own right by winning the Toowoomba book week competition. Congrats! Earnie boy.. Margie Giesemann is one of the lively members of our family and enjoys very much her window position in Term 4 while Trudi continues to be a happy Henry. Jane — attempt to study, have a good time — Lyons has continued to astound us, although the cause is unknown, while Jackie watches Yankee News for the majority of her life here at St Ursula's. Gemma has been her usual cheery self with her super-beau plastered around her wall. Flicks in with the Downlands STUD — that says it all. Salo was hit by the famous five room in Term 3 with Julie always living on the Wilde side of life, Lisa — subconsciously infatuated, Jane A — wearing the pearly whites away, Fran — ballet, boys and being bad — and Janet — our personal captain keeping everyone under her example — "Have a rage".

All of Salo would like to thank Sr Sue and Maree for their devotion to the great Salo juniors during 1986.

## BRESCIA HOUSE

The Brescia 'family' started '86 in full steam with the old sub-seniors moving into 'power'. Along with the dorm mistresses, they generated enthusiasm throughout the entire house and especially in our new arrivals including our one and only year seven, Sancia!

This year we've been juggling dormies, to find our latest and greatest combination to be Dee and Sr. Leone, not forgetting Sr. Denise who is always there to fill in in times of crisis. We all owe them heaps and as they will both be 'abandoning' us soon we thank them and wish them the best of luck always. (With love from the Brescia 'kids'.)

Throughout '86 we have stumbled out of bed at the break of dawn for poolside BBQ breakfasts, hitting the sack at midnight after horror movies and junk food feasts, and raged the town with our Brescia families. (Which often proved catastrophic.)

Despite the destruction of many irons and ironing boards, Brescia has had a very successful, eventful and fun-filled year in '86. We thank both the dormies, the seniors and everyone in Brescia for a great year with the hope that next year will be even better.

## CROSS COUNTRY

On 23rd May the St Ursula's Cross Country Championship combined with the Interhouse Cross Country was held at Downlands. This year we had the largest number of competitors with over three hundred girls participating.

The overall winner was Janet Reid. The winners in age groups were U/13 Helen Stokes, U/14 Belinda Hafey, U/15 Janet Reid and U/16 Karen M. Kelly. Ursula House was winner of the day.

The Darling Downs Championships were held on 5th June. All girls ran well especially Helen Stokes who finished 9th in her age group.

Our sincere thanks must go to Mrs Klease for her support and the organisation of the different championships, also to all teachers and House leaders who acted as officials at the school championships.

## EQUESTRIAN TEAM

St Ursula's Equestrian team had a memorable year for 1986. The team consisting of Sara Francis, Cathy Green, Darsha Beetson, Madeleine Welsh, and Sally Biddle won the High Schools Equestrian Event at Pittsworth, defeating all other teams from the Darling Downs region. They then went on to compete at Pine Lodge Equestrian Park in Brisbane where they were placed in the top ten from a large field of competitors.

The team members, their parents, Sr Mackintosh and Mrs Ford put in a great deal of work to this virtually new sport in the school. We hope to enter a team next year to keep up this high standard of competition.

Team member Madeleine Welsh (left) also won the individual dressage champion. # GYMNASTICS

On 16th October five girls from St. Ursula's and one girl from Downlands competed in the inter school gymnastics competition held at Toowoomba Grammar. All the girls tried their best and competed well, gaining some very good scores on all apparatus. Chris Ramsey was placed third in the overall competition. Despite all the previous troubles, all the training paid off and we managed to win the senior division for 1986. (We won this previously in 1984.)

On 17th October, twelve girls competed in the junior section of the competition. These girls competed exceptionally well, considering it was their first competition. We didn't win the junior trophy but managed to come fourth.

I hope all these girls will continue to train for next year's competition. I think Tamara Foale and Sally Anne Docherty should be mentioned because although they didn't compete, they came to training regularly.

# VOLLEYBALL

This year St Ursula's entered two enthusiastic teams in the Volleyball Competition.

The U/15, captained by Sally Ryan, proved to be too competent for most schools. It may have been their accurate serves, smashing spikes or diligence on the court which won their games. Maybe it was the noise they generated while giving support to each other that simply scared the opposition. Whatever their secret, the U/15's won 2 sets to 1 against Fairholme, Glennie and St. Saviour's.

Then, there were the other ones... the open team. These girls, led by the squad captain, Helen Kelso, played the more experienced seniors in the competition. The team tried their best all season, but with scores like 3 sets to 0 against Fairholme, the only consolation was that they were improving. The team's dedication did reward them with a gallant win 2 sets to 1 against Glennie in the last game of the season.

Of course, the season would not have been so successful without the help of Mr. Scalia. Many thanks must go to him for the fine job he did on coaching both teams (even if he did have to resort to bribes of Coke and Mars bars for success).

Congratulations to all involved and good luck to the team next year.

# SOFTBALL

This year's softball season was a success overall. The U/15 side made a great effort with only two games being lost. The U/14's stole the limelight by winning their competition. Congratulations girls! A fine effort was made by the B grade, but unfortunately they were not as successful; but all girls tried their hardest and played with great sportsmanship.

Each player played to her best ability making the competition to the rivals tough. Many girls tried out for the Darling Downs side and

congratulations to Leah Mallory for obtaining a position in the side. Leah and I went to the State Carnival in Brisbane where the side came fourth.

Thanks go to Mrs Janovsky, Mrs Klease, Vanessa McIntyre and Ms Burrell for the time and effort they put into coaching and helping with the teams. Their help was greatly appreciated. Good luck in next year's competition. I feel sure you will do well.

# SOCCER

Our soccer season has come to an end with our team doing well. Although we only had competition with St. Saviour's, the girls played to the best of their ability. They played hard and trained well.

I would like to thank all those who trained and played. On behalf of the team I would like to thank Mr. Broderick, for giving up his time to train us and help us improve our ball skills, and also Joanne Meekin and Mr. Scalia for providing the transport.

## NETBALL

In 1986 we didn't win any Premierships, but we thoroughly enjoyed the Netball season. All teams played well with many talented players. Superb sportsmanship was shown throughout the season.

I would like to thank the coaches this year for their guidance: Mrs Perrin, Mrs Langler, Mrs McConachy, and Mrs Klease. Their help was greatly appreciated. Of the many girls who tried out for the Toowoomba Representative Team, Bridget Watts, Nicole Watts and Helen

Hilder were selected in the U/15 team and Alesha Doidge in the U/16 team. Nicole, Bridget and Alesha were also selected in the Darling Downs team.

Congratulations to all girls who played Netball this season. They showed that winning was not the most important thing; but how they played the game.

## HOCKEY

Under the guidance of Ms Burrell, our hockey team learnt that playing the game for enjoyment was more important than winning. I admit that none of us showed exceptional talent, but our skills and confidence improved greatly throughout the season. Overall the team achieved well, especially in the Saturday morning competition. Next year's competition looks promising as the girls improve on the skills they learnt this year.

## HEALTH AND P.E.

### ....a new perspective

As educators I believe we must face the problems experienced by people in today's world; physical, emotional and mental imbalance created (often) by a lack of values clarification.

I believe I have a responsibility to cultivate self discipline and other character building processes that leave an individual free to develop her total self. Health and P.E. is an area where such processes can be cultivated. Over the next few years it is my aim to develop programmes in the areas of: Health, Sport and Recreation.

The changing face of Health and P.E. at St. Ursula's will hopefully see more students become interested in personal wellness and develop positive feelings about themselves through a variety of activities involving individual challenges and team co-operation.

We will continue to offer the variety of competitive sports for those students who have the ability and wish to further develop their physical skills as well as enjoy the stimulation of competition. For those students who do not gain positive feelings from, or do not feel comfortable playing competitive sports, we will be offering an alternative. Not just a second class activity, but a programme that is given as much time and professional guidance as student interest demands. For example, we will be developing an outdoor education programme, a weight control, diet and exercise club and games for recreation to mention some.

It is hoped that, over time the "all sports" students will become interested in some of the non competitive recreation activities and the "non sport" students will develop enough self confidence in the area of physical skills to want to play some of the more competitive team games. The end result of such a programme will be that girls will leave school with a positive attitude to health and wellness and be well equipped to make positive use of leisure time.

## FOCAL WEEK

The major focus for 1986 was to create a friendly and honest atmosphere at St Ursula's. To do this it was necessary to start at the beginning of the year making everyone feel welcome, particularly those new to the school.

At this stage of the year it is satisfying to look back over the year and see the friendliness and sense of belonging that has grown amongst staff and students. Our Friday assemblies have promoted this friendly spirit and made it a pleasure to attend them.

# BALLGAMES

The time leading up to this year's Ballgames carnival at Harristown High School was a very busy one with passing, catching and tunneling. We couldn't have wished for a better day as the sun was shining and so were our hopes of beating our rivals, St Saviours.

The day started well with years 9, 10 and 12 coming second in Captain Ball and year 8 coming first in Tunnel and Zig. Unfortunately Fairholme College were just too good for us, but we still had a chance of coming second. At the end of the Star Relay, St Saviours were ahead by only five points.

U/13 showed great potential by coming third by only one point. U/14's hard work and training nearly paid off when they came second to the well disciplined Fairholme girls. The U/15 team came a close third showing great team work and effort.

We would like to thank the teachers who gave up their time to train us: Mrs Dalton with the U/13, Miss Langton and Mrs McConachy with the U/14 and Mrs Perrin and Mrs Batzloff with the U/15. Enthusiasm and school spirit made the day a success and I hope 1987 will be our year to claim the trophy.

# TENNIS

This year tennis was very successful; our 15 and under team winning the premiership. This team consisted of Caroline Josey, Sally Ryan, Lizzy Murphy and Katrina Murphy. The 14 and under team were Danielle Kelly, Joy Southern, Leigh Sullivan, Pattie Cosgrove and Karmen Tathem and the B grade team consisted of Debbie Barnett, Louise Cooney, Julie Zeidler and Sally Dawson. While these girls were not so lucky, they provided a great deal of competition for the opposition. A special mention must go to all those girls who voluntarily gave up their time to umpire, and also to Caroline Josey who successfully played in the Darling Downs team.

We are sorry to see this year's Grade 10 players leave, but wish them every success as well as to the remaining grades of the future.
